

INFORMAL OPEN COFFEE BREAK

With the FISC Working Group

Global patterns of growth of native and non-native trees

This informal coffee break is a chance to talk with the scientists, **make new international contacts, discuss shared research interests, and learn more about how synthesis centres and Working Groups operate.**

Thursday, 28 May
10:00 CEST

FLD ČZU
room L187

Who you can meet:

Martín A. Núñez
